FIMBA MÁLAGA 2022

30 of May of 2022

The HDB is summoned to decide about the petition of the German F45 A team to be moved from the category F45 to category F40.

According to the fixture of F40, that has 7 teams and none of them is German, the inclusion of a German team won't affect the structure of the competition. Then, it's not necessary to make a new draw.

For all these reasons, the HDB decides that the German team will occupy the fourth position of pool B.
