

**DISCIPLINARY BOARD**  
**FIMBA MÁLAGA 2022**

31 of May of 2022

The HDB is summoned to decide about if it's necessary to make a new draw in the category **M35** after withdrew of the Hungarian team.

After the decision of including the Ukrainian team in the category M35, the Hungarian team informed that they will withdrew their team from the competition.

Considering that withdrew of the Hungarian team was informed after the inclusion of the Ukrainian team in pool B, this HDB thinks that it's not necessary to make a new draw.

Consequently, the HDB decides that won't be necessary to make a new draw, and that pool A will be composed of 3 teams (UK, Spain and Slovenia) and that pool B will be composed of 4 teams (UK, UK, Spain and Ukrain).
